# **Program Descriptions**

CHARIOT RIDERS offers two different types of programs as outlined below.

# Therapeutic Activities

The Therapeutic Riding program is designed to teach individuals with physical and/or mental challenges the skills necessary to ride a horse, as well as the skills necessary to appropriately groom and tack a horse in

preparation for riding. Skills taught will vary depending on the rider. Therapeutic riding lessons are offered during all sessions and are taught by NARHA certified therapeutic riding instructors.

Although Chariot Riders strives to provide all clients with individual, 30-minute lessons, limited scheduling may require that Chariot Riders schedule group lessons on certain days and times. In the event a group lesson is necessary, the lesson time will be extended from 30- minutes to 1 hour. These lessons will be organized to group riders according to age, type of disability and level of riding skill. The maximum class size is four riders.

# Horsemanship/Recreational Activities

Chariot Riders also offers recreational riding including hunt seat, dressage, and jumping. In addition to our lesson program, we also offer summer camps, in-house and off-premises horse shows, clinics, year round riding in our indoor arena, in-house 4H club, and group trips and activities.

# **Program Policies and Procedures**

# Age and Weight Requirements

Individuals must be at least 2 years old before they can participate in any programs. There is no maximum age limit. Participants involved in mounted activities may not exceed 250 lbs. as we do not currently have horses that can safely carry more than that.

# Safety Requirements

Individuals may not be allowed to participate in the program if any of the following situations occur:

- Participant's condition is in any way exacerbated by riding
- An appropriate horse is no longer available for the participant
- The participant's behavior poses safety concerns (at the discretion of instructor)
- The available staff does not feel able to safely conduct a lesson or session with the participant
- Any other situation that may have a negative impact on the program in general (at the discretion of the instructor and/or program director)

# Annual Update of Paperwork

The following forms must be completed on an **annual basis** and submitted to the CHARIOT RIDERS office **by the stated deadline** in order for individuals to participate in our programs.

- Participant's Application and Health History
- Participant's Medical History and Physician's Statement
- Participant's Consent for Release of Information
- Authorization for Emergency Medical Treatment
- Release of Liability
- Receipt of Rider Manual

Submission of other paperwork such as IEPs and therapy evaluations is encouraged, as these assessments are a beneficial part of lesson planning. Riders with outdated forms will not be allowed to participate.

# Scheduling Policy and Fees

Registration and session dates are available by appointment. The current fee schedule is posted on our website. Registration forms for each session can be downloaded also from our website at <a href="www.chariotriders.org">www.chariotriders.org</a>. If you have any difficulty downloading the forms from the website, please contact the barn office at 732-657-2710. Registrations will not be considered if the paperwork and annual fee have not been received. Riders who receive payment for lessons through a community agency must secure that payment as part of the registration process. Riding days and times will be confirmed by phone and/or e-mail.

#### Attire

All riders must wear ASTM-SEI approved headgear while mounted. Helmets are available at the barn. Long pants are preferred; shorts are permitted, but not recommended, in warm weather. Nylon pants (such as warm-up pants or ski pants) are not permitted because they are too slippery against the saddle or pad. Hard soled shoes or boots with a heel are ideal for riding, but sneakers are acceptable. Sandals or open toed shoes are not permitted. Jewelry should be kept to a minimum.

Riders should dress appropriately for the weather conditions so they can be comfortable during lessons.

Remember to layer clothing during cold weather and to wear warm coats, heavy socks, long underwear or tights, gloves, and ear protection that will fit under the riding helmet. In warm weather, please remember to wear light-colored clothing and apply sunscreen before riding. Riders may also want to bring their own water bottles.

### Cancellation Policy and Make-ups

Every attempt will be made to avoid cancellations. However, there are situations that are unavoidable at times, such as, equine health related issues, dangerous weather, and staffing. We appreciate your understanding and support regarding our cancellation policy.

- 1. Cancellations by Therapeutic Riders: Payment for each month's lessons is due on the first day of the month. Changes in a riders schedule must be reported before the payment is due for any reschedule or non payment of the lesson in question. There are no refunds on lessons missed or cancelled later.
- 2. Cancellations by CHARIOT RIDERS: You will be notified by phone at the number(s) provided on your registration form if lessons are cancelled. Non-mounted lessons may be provided during inclement weather, so please do not assume that lessons will be cancelled unless you have been notified by the CHARIOT RIDERS office. Every attempt will be made to reschedule lessons cancelled by CHARIOT RIDERS during the makeup week at the rider's regular time slot. If you cannot attend your make-up class, the lesson will be forfeited. Credits or refunds will be given to therapeutic riders for lessons cancelled by CHARIOT RIDERS that are not able to be made-up.

#### Late Arrivals

Participants who arrive **up to 15 minutes** late may have their lesson, but must understand that their lesson will still end at the regularly scheduled time. After the fifteen (**15**) **minute** waiting period has passed, the volunteers will be instructed to return the horse to the barn and the lesson will be forfeited.

# **Parking**

Dedicated rider parking is available near the arenas. Please note that the speed limit on the farm is 5 m.p.h.

# Designated Waiting Area and Observation Area

Upon arrival for lessons, riders and family members/caregivers should gather outside their assigned mounting area. Instructors will meet riders at this location to select helmets and prepare for the lesson. Family

members/caregivers and guests should use the observation areas outside the arenas for observation of lessons.

Children must be under the supervision of a parent or adult caregiver at all times.

The barn is a busy place during lesson times. For your safety and the safety of others, please do not congregate in the barn, in front of the barn, or in the pathway leading from the barn to the mounting

area. This area needs to remain clear for the horses. Only staff and volunteers are permitted in the barn, paddocks, and arenas.

## **General Barn and Farm Rules**

- 1. Treats must not be offered to the horses by anyone at any time. If you wish to donate carrots or apples, please bring them to the main office. No other types of treats will be accepted. It is important for the horse's health that these guidelines are followed. Volunteers, however, are allowed all forms of treats such as cookies, chips, etc. Donations of treats for our
